

Duplicate license cleanup recommendations

Duplicate license groups	225
Affected records	460
Official-feed matches	185
Manual-review groups	40
Potential removals after merge	185
Production changes made	None

Decision rules

- Use current Colorado MED and Michigan CRA active-license feeds as authoritative license evidence.
- Keep the record that best matches the official business name and location while protecting claimed and verified state.
- Merge complementary contact and profile fields before removing a duplicate record.
- Do not remove records marked Manual review. Confirm inactive, transferred, or mismatched licenses first.
